The school committee has adopted procedures to ensure that one or both parents of eligible children are present at each meeting, or are afforded the opportunity to participate, including timely notification as described by Maine Special Education Regulations Section 8.5. If neither parent can attend, the following procedures to insure parent participation will be utilized as appropriate: conference telephone calls, attempts to arrange a mutually agree time and place, visits made to the parents' home or place of employment, the provision of interpreters, and maintenance of copies of correspondences sent to parents.
