

Reports to: Athletic Director/Principal

Job Goals:

1. To instill positive attitudes
2. To develop fundamental skills
3. To give exposure to the sport(s)
4. To enable all athletes to participate
5. To instill good sportsmanship
6. To coach children with respect, encouragement, and fairness

Responsibilities:

1. To pave the way for the student to develop growth and potential ability.
2. To establish a regular written practice schedule at the beginning of the season for students to follow.
3. To prepare each student in the proper physical development before performing.
4. To develop and use a list of criteria that will be used to evaluate players trying out for a team (A teams only)
5. To supervise participants at practices and competitions, as well as on the bus traveling to and from away games.
6. To establish training, personal, and sportsmanship standards in each student.
7. To be responsible for equipment and facilities during practice or competition.
8. To be sure that each participant receives on-going praise, feedback, and recognition for his/her development.
9. To provide the opportunity for students who are not part of the activity to become involved: for example; managers, scorekeepers, equipment managers, etc.
10. To review equipment at season's start and end, and to provide written recommendations for equipment repair and replacement.
11. To distribute and collect uniforms, making sure that all students are properly outfitted for each sport.
12. To communicate with parents, the athletic director, and the principal to be sure the athletic policy is being carried out correctly.
13. Perform other tasks and assume other responsibilities as the principal may assign.

Adopted: Blue Hill School Committee - 7/8/1998
