Under state law, full-time school attendance is required of all children from their 7th to their 17th birthday except:

- A. A person who graduates from high school before their 17th birthday:

 - 4. Permission to leave school from the School Committee or its designee; and

When the request to be excused from school has been denied pursuant to this paragraph, the student's parent may appeal to the Commissioner;
- C. A person whose absence is excused under section 5051. The parent of a habitual truant who has been denied a waiver of this paragraph may appeal to the Commissioner in accordance with section 5051, subsection 2, paragraph E (habitual truancy); or
- D. A person who has matriculated and is attending an accredited, post-secondary, degree-granting institution as a full-time student. An exception to the attendance in public school under this paragraph must be approved by the Commissioner.

Alternatives to Attendance at Public Day School

- A. Equivalent instruction alternatives are as follows:
 - 1. A person shall be excused from attending a public day school if the person obtains equivalent instruction in:
 - a) A private school approved for attendance purposes pursuant to section 2901;
 - b) A private school recognized by the department as providing equivalent instruction;
 - c) A manner approved by the Commissioner pursuant to subparagraph (3); or

- d) Any other manner arranged for by the School Committee and approved by the Commissioner.
 - 2. A student shall be credited with attendance at a private school only if a certificate showing the name, residence and attendance of the person at the school, signed by the person or persons in charge of the school, has been filed with the school officials of the administrative unit in which the student resides.
 - 3. A person who wishes to obtain approval of equivalent instruction under rules established by the Commissioner for equivalent instruction through home instruction (home schooling) shall simultaneously submit a completed application for approval to the local School Committee and to the Commissioner. The local School Committee may review the application and submit comments on the application to the Commissioner with 30 days of receipt of the application. Within 60 days of receipt of the application, the Commissioner, using state criteria established by rule, shall decide whether to approve the equivalent instruction application. If the Commissioner denies the application, the application may, within 30 days of receiving the denial, amend and resubmit the application directly to the Commissioner. The Commissioner shall make a decision within 30 days of receiving the amended application. If an application is approved, the Commissioner shall send notice of the approval to the local School Committee.
- B. A person may be excused from attendance at a public day school pursuant to 5104-A or 8605 (other public or private alternative programs).

Excusable Absence

A person's absence is excused when the absence is for the following reasons:

- A. Personal illness;
- B. An appointment with a health professional that must be made during the regular school day;
- C. Observance of a recognized religious holiday when the observance is required during the regular school day;
- D. A family emergency; or
- E. A planned absence for a personal or educational purpose which has been approved.

Compulsory education is essential to the preservation of the rights and liberties of the people and the continued prosperity of our nation. Maintaining regular student attendance is necessary to achieve the goal of an educated citizenry. Public schools should ensure the rights of access for all school-aged persons to an appropriate educational opportunity and, when necessary, should

develop alternatives to regular school curricula for those children and youth at risk of becoming dropouts and those who may have left school.

Parents are responsible for the attendance of students who are under 17 years of age. The Board shall work with families in an effort to ensure compliance.

Secondary school students 20 years of age or more will only be admitted to the school unit with prior School Committee approval.
